

Dear residents and family members,

I hope this update finds you well. As you are aware we are no longer able to have our COVID-19 update meeting in the dining room.

I will be sending you an update every Friday by hard copy and emailing your families a copy of this update to keep them informed.

Please bring any questions you may have to the front entrance (where you have your temperature taken) and I will answer them on our next printed update.

I am happy to report Presentation Manor remains COVID-19 free.

Thank you for your patience as we provide your meals by tray service. In order to better serve you, we will be distributing the weekly menu to you this Sunday.

Please fill out your selection for the week and any requests you may have IE: ketchup, extra milk etc.

Once you have made your selections for the week, please return to your server. By making your selections in advance we will be able to improve efficiencies and save time.

Please ensure all dirty dishes are left outside your suite. If you require assistance a staff member is happy to assist you.

Presentation Manor has been working hard to ensure the safety and health of our residents. While the quarantine measures have dampened the mood, our staff and residents have taken it upon themselves to stay active, productive and have fun!

A volunteer group of residents have teamed up to produce face masks with materials and kits that have been donated by the residents themselves or by family. The sewing team will be hard at work producing masks for all of our residents and will be donating any surplus to the surrounding senior living communities. If you wish to donate cotton fabrics, please call Presentation Manor for more detail.

Special thanks to Joan Fawcett for initiating and undertaking this wonderful mission. Our sewing team consists of 11 members: Joan Fawcett, Sr. Joan Schafouser, Sr. Adua Zampese, Sr. Yvonne Hutchinson, Mary Smith, Heda Kafka, Sr. Norma Samar, Mary Toth, Anne Hendricks, Sr. Frances Brady and Sr. Mary Deighan.

Special thanks for our screening team. Clair McSorley, Sr. Anne Fallon and Sr. Rosie Williamson have been actively helping the reception to screen all essential staff and essential visitors.

Presentation Manor is looking for volunteers to help at the reception. Please contact a member of the management team if you would like to volunteer.

Social distancing is still very important to stop the spread of COVID-19, which means we have stopped all social gatherings at our home, including Happy Hour. Beginning next week, we will have Pub On the Go. We will be going around with our fiesta cart and serving drinks to residents' rooms.

Presentation Manor has created a conference room for virtual visits between residents and their loved ones. This is a great way for everyone to connect and share a laugh holding a glass of wine! Please contact Bremen at bbalasubramaniam@presentationmanor.com to set up Skype, Zoom, Facebook and Whatsapp.

Presentation Manor wishes you and your family a safe and healthy week!

Sincerely,

Gord Perrault, Executive Director

On behalf of the management team and staff
