

June 19, 2020

Dear Residents and Family Members,

I hope everyone is enjoying this beautiful Friday, Presentation Manor remains COVID-19 free. Our dining room officially reopened today for all 3 meals with breakfast for all and 2 seating's for lunch and supper. It was very nice to hear laughter and conversations coming from our dining room at lunch time today.

Thank you for your patience with the meal service as we adjust and become more efficient with our new normal. The staff will be disinfecting before and after each meal service. This past Thursday we welcomed our first family visits since our closing on March 13. It was very heart-warming to watch family members reconnect.

This Sunday June 20th the Chapel will be begin having Mass twice a day. A communication has been circulated specifying the times for Mass. Over the course of the next couple of weeks you will be able to pick which mealtime best works for you.

Thanks to all of our residents and family for observing our visitation protocols, I realize it must be very difficult to maintain social distancing with a loved one. I will keep you up-to-date of any new government directives with regards to this issue.

Next Friday at both lunch times, we will be resuming our town halls. Please come at your regular lunch time and your management team will provide you with live updates and answer questions at both seating's'.

Presentation
Manor

This will be our last COVID-19 update sent to the families unless something should change. Going forward, I will send all residents including families the minutes from our town hall meetings.

As always please see me or email me at
gperrault@presentationmanor.com

Have a wonderful weekend. For those of you that are a father, enjoy your special day.

Sincerely,

Gord Perrault
