Dear Residents and Family Members,

I am writing to advise you, starting Thursday June 25th, Presentation Manor will be routinely swabbing all of our residents and staff for COVID-19.

We were initially only going to test our employees and support staff every 2 weeks as per directive by the provincial government. However, I am receiving daily requests from residents to attend appointments outside of the residence.

I feel the only way to continue to keep everyone safe is to test everyone every two weeks. We will test Assisted Living and Memory Care residents in their suites.

Please come to the dining room at the following times:

1st Floor: 9:00 AM – 10:00 AM

2nd Floor: 10:00 AM – 11:30 AM

3rd Floor: 1:30 PM – 3:00 PM

4th Floor: 3:30 PM – 5:00 PM

My hope is to modify this testing procedure, where we will continue to test our residents that would like to leave the property for their various appointments and not test our residents who wish to stay in place.

Thank you for your support.
