

Friday, July 3, 2020

Dear Residents and Family Members,

Happy Friday! I have some good news to report. Toronto Public Health has accepted our plan to lift the quarantine measures for most of the building. This means our asymptomatic resident who tested positive and has since tested negative will remain in self isolation for 14 days. The rest of our residents are free to leave their suites and are enjoying supper in the dining room tonight

I would like to remind everyone how very important it is to maintain social distancing, stay on the property when possible, wash your hands and wear a mask.

It only takes one positive test from either an employee or a resident to put us in quarantine. We will continue to do mass testing every 2 weeks with our next date being July 9, 2020.

We will restart family visitation Tuesday, July 7.

Please contact me at gperrault@presentationmanor.com if you have any questions.

Have a great weekend.

Gord Perrault

Executive Director

Presentation Manor for seniors
