

Monday, January 4, 2021

Dear Residents and Family Members,

We are still waiting for direction from Michael Garron hospital as to the timing for our vaccination clinic tomorrow.

We have arranged for a boxed lunch to be delivered to your suite. Michael Garron hospital will be administering the vaccine suite to suite.

As we are unsure of the timing tomorrow please stay on the property. We will be providing more information tomorrow morning as it becomes available.

Regards,

Gord Perrault

Executive Director
