Dear Residents and Family Members,

I am pleased to report that having received negative results from our COVID-19 testing, we are now able to declare the quarantine measures officially over. Although Presentation Manor is currently 100% COVID-19 free, we must remain diligent in our efforts to keep staff and residents safe.

Please continue to wear your mask and wash hands frequently. Further, please remain on the property unless you have an essential appointment (e.g. physician/dentist) outside.

Public Health is anticipating a surge in COVID-19 cases in the coming winter months and we must be very careful in what we do so that we don't expose ourselves and others to the virus.

Residents will be having supper at their regular times in the dining room and enjoying a celebratory glass of wine or two.

Thank you again for your support.

Sincerely,

Gord Perrault

Executive Director
